Circuit Court

The jury in the Holiday murder case, which had the matter under consideration at the time of our last issue, failed to agree upon a verdict. They were given the case at 7 o'clock Wednesday evening and were not discharged until 3 p.m., Thursday.

The case of Tucker vs. Coulter was tried on Saturday and the jury returned a verdict of \$30 for the defendant.

The case of the Commonwealth vs. Charlie Clay, charged with the malicious wounding of Elliott Hardin on the streets of Springfield, on last February court day was tried Saturday and a verdict of guilty returned and his punishment fixed at one year in the penitentiary. A motion for a new trial is pending.

The Symphon will case was begun Monday and as we go to press the testimony has not been completed. A large number of witnesses have testified in the case and it will probably take some time yet. The contestants are represented by Attorneys Lewis, of this place, and Hales and Barlow, of Bardonia and the contest is between Mayes, Grigsby and McChord, of this place and Kelly and Cherry of Bardonia. It is alleged that Mr. John A. Symphon had not testamentary capacity.

The grand jury adjourned last Friday. They seem to have busied themselves this time and to have inquired diligently into all infractions of the law as 32 indictments were returned as follows: Obstructing railroad track 1, offenses relating to the use of deadly weapons 11, shooting on highway 4, breach of the peace 12, selling liquor to minor 5, selling liquor in local option territory 16, gaming 1, malicious wounding 1, false swearing 1.

Flying Machines in Louisville

Railroad officials all over the country say that the largest crowds that have ever been seen in Louisville are expected on June 16 and 19 when the Times aviation meet will be held at Churchill Downs in Louisville. The recent achievements in aeronautics has created an intense desire on the part of every person to see aeroplanes in action. Mr. Glenn H. Curtiss who flew 100 miles from Albany to New York, will head a team of aviators who will appear there. Curtiss is one of the most wonderful bird men in the world.

Great interest is being taken in the matter all over the State, and there will be reduced rates on all railroads and as few people have ever seen an aeroplane in action, the meeting will doubtless be a great success.

Do You Get Up With a Lame Back?

Kidney Trouble Makes You Miserable. Almost everyone knows of Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy, because of its remarkable health restoring properties. Swamp-Root is found almost everywhere with its over-coming rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary system. It corrects inability to hold water and itching pain in passing it, or bed effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night.

Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble, it will be found just the remedy you need. It has been thoroughly tested in private practice, and has proved so successful that a special arrangement has been made by which all readers of this paper, who have a sample bottle sent free by mail, also a book telling more about Swamp-Root, and how to find out if you have kidney, liver or bladder trouble. When writing enclosing reading this generous offer in this paper and send your address to Dr. Kilmer & Co., New Brighton, N. Y. The regular retail price of one-dollar size bottles are sold by all druggists. Don't miss any mistake, also remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, New Brighton, N. Y., on the bottle.

Tell Your Friends How Delicious This Bread Is

Tell them that it is now possible to secure the famous Dolly Bread in this town. This bread is baked in the great sanitary ovens of the Grocers' Baking Company of Louisville, and each morning it is rushed to us by express, reaching us almost as quickly as it does the grocers of Louisville.

And tell them, too, how much better this bread is than that baked at home—they will appreciate your kindness—for nobody likes to bother with home baking.

The secret of good bread lies in the oven, you know. Dolly Bread is simply delicious because it is baked in great ovens into which steam is forced at great pressure—in this way the moisture is baked right into the loaf.

Three of the best flour in the country are blended by our secret formula to secure its wonderful flavor.

These are some of the reasons why Dolly Bread tastes so good.

The College Toastmaster.
The St. Mary's College Dram-
atic Society, will be at the
Opera House on Thursday June
16, with the College Toastmas-
ter. The play has been played
in many of the Colleges of the
United States and has never
failed to please. It is a typical
play of college life, with the
many mischievous acts and origi-
nal expressions that only the
college boy can do and say.

Hazing, a college boy's love
affairs and love letters, all come
in, in their proper places and the
whole play is one continuous
laugh from the rise to the fall of
the curtain.

The specialties between the
acts by the college orchestra

The church was artistic in the
simple beauty of altars banked
in red roses and ferns, contrast-
ing with the white wedding bell
in its arch of green draped in
tulle, below which at either side
the altar rail was twined in green
with white tulle bows crowning
the posts.

The going away gown was of
Aeolian silk with collar and cuffs
of french embroidery and hat of
crème milan trimmed in Persian
effect.

Mr. and Mrs. Rubel left im-
mediately after the ceremony on
an extended trip which will in-
clude Niagara Falls, New York
city Washington and other Es-
tate points of interest. After
their return they will reside in
Lebanon.

The bride is a daughter of the

the ceremony Mrs. Frank Peters
sang beautifully, "Adoration"
by Telma.

The bride's gown was a cream
marquise over satin, made
with train, Dutch neck and short
sleeves. The corsage, embroi-
dered in gold had yoke and sleeves
of real lace. A large white hat
trimmed in cream and coral roses
and an arm bouquet of white ro-
ses completed a picture of bridal
beauty.
